See and be seen: the exterior
Add a little extra sparkle

Sparkling chrome and refined steel – materials that help lend your Actros an even more individual look. Everything here is perfectly coordinated: from the chrome package and the high-sheen polished stainless steel steps to the chromed trim for the exterior mirrors and the backlit Mercedes star logo. All of these items offer that familiar Mercedes-Benz quality and are precision-tailored to your vehicle – assuring you a look that positively beams.

1 **Chrome package.** Perfect contours: the 5-piece chrome package impressively emphasises the new trim grille on the Megaspace cab.
   B6 752 0140

2 **Stainless steel steps.** For a safe entrance: high-sheen polished stainless steel steps with non-slip design at outer edges. 4 steps per side. Simple to fit. Supplied with set of screws.
   Megaspace cab, driver’s side: B6 752 0248
   Megaspace cab, co-driver’s side: B6 752 0249
   Lowliner and car transporter: B6 752 0250

3 **Mercedes-Benz emblem.** Refined detail: stainless steel emblem, suitable for all cabs. Simple to attach using adhesive.
   B6 752 0123

4 **Chromed mirror trim.** Gleaming appeal: two-piece chromed trim set for the exterior mirrors on the new Actros (Code FT2).
   Driver’s side: A 943 811 1207 and A 943 811 1307
   Co-driver’s side: A 943 811 1407 and A 943 811 1507

5 **Backlit Mercedes star logo.** At the touch of a button the white-backlit Mercedes star logo (Code FA6) provides even more lustre. Only to be switched on when vehicle is parked. LED lighting with output of 1.9 watts and diffuser lens. Supplied without installation kit.
   Megaspace cab: A 943 817 0316
   S-cab, M-cab, L-cab: A 943 817 0216
Arrive in style

From the stainless steel step and the muscular front bar to the roof-mounted lamp holder – sparkling accessories made from high-sheen polished stainless steel lend your Actros an unmistakable look and impressively emphasise the distinctive design of the new cab. Out on the road. And when you arrive in style.

2 Stainless steel trim. Attractive detail: 3-piece licence plate trim for the bumper. Simple to attach using adhesive.
   For vehicles with air scoops: B6 752 0126
   For vehicles without air scoops: B6 752 0127

3 Front step. Stepping up the style: front step which is fitted in place of the standard step. Material: high-sheen polished stainless steel.
   For all cabs (not in conjunction with Telligent® proximity control): B6 752 0243
   For vehicles with 2nd front step (high front apron), not pictured: B6 752 0256

4 Stainless steel trim for steps. Make a stylish entrance: high-sheen polished stainless steel trim for steps, suitable for S-cab, M-cab and L-cab. Set consists of 3 trim panels, identical for driver and co-driver sides. Simple to fit.
   B6 752 0238
Curved roof-mounted headlamp holder for Megaspace cab and L-cab with high roof:
B6 752 0253

Straight roof-mounted headlamp holder for Megaspace cab and L-cab with high roof:
B6 752 0252

Roof-mounted headlamp holder for S-cab, M-cab, L-cab with low roof DD2 (without spoiler):
B6 752 0247
Please note: 2 reinforcements required on the S-cab. A 941 790 2204

Air horns. Full 2-tone sound: These air horns help attract attention e.g. in hazardous situations. Set comprises 2 horns. Length: 67 and 76 cm. Supplied without installation kit. Material: stainless steel. B6 752 0401

For more style and an individual character

Whether aerodynamic wind deflectors or weatherproof, UV-resistant decorative decals, these accessories are designed to make your Actros even more attractive – and many also serve a practical purpose. Make clear from the first glance: here comes the Actros!

1 Side window wind deflector. Your job is turbulent enough: side window wind deflector for draught-free driving even with the window open. With special aperture for the kerb-sight mirror. Available as a set for driver and co-driver sides.
For LHD: B6 753 0005
For RHD: B6 753 0006

2 Shark’s gill spoiler. Looking dangerously good: shark’s gill spoiler which can be painted in body colour for a perfect look. For the Megaspace cab and L-cab. Simple to attach using adhesive. Available as a set for driver and co-driver sides. Material: high-quality plastic. Colour: black.
B6 601 0145

B6 782 0009

B6 782 0008

Decorative decals. The following decals are available as a set for the driver and co-driver sides. Simple to attach using adhesive.

6  “V8” decal. Show what your Actros is made of: “V8” decal for all those with more under the bonnet. Ideal for combining with the separately available disc decal. In two colours:
transparent/black: B6 782 0019
transparent/white: B6 782 0020

7  “Disc” decal. A gem for your star vehicle: elegant-design “disc” decal. In two colours:
sapphire black: B6 782 0012
brilliant silver: B6 782 0013

8  “Flame” decal. Sizzling design: the flame decal. Attractive in combination with the “Actros” decal for the cab-side extenders. In two colours:
red: B6 782 0000
silver: B6 782 0001
There’s no more elegant way to take to the road

The gleaming wheel accessories for the new Actros demonstrate how to combine looks and cost-effectiveness to optimum effect. Whichever you decide on, you can be sure of extra elegance.

1 **Stainless steel wheel nut caps.** Attractive and practical: set of 10 wheel nut caps.
B6 752 0621
Wheel nut cap remover.
B6 752 0630

2 **Stainless steel wheel bolt cover ring.** Because every detail counts: the wheel bolt cover ring protects the wheel and the wheel nuts from damage.
For 22.5” wheels.
For aluminium wheel (ø 32 mm sleeve nuts): B6 752 0611
For steel wheel (ø 27 mm nuts): B6 752 0610

3 **Stainless steel rear wheel hub cap.** Bringing up the rear in style: the high-quality rear wheel hub cap keeps the axle clean.
HL 7 planetary axle (aluminium or steel wheel):
B6 752 0601
HL 6/HL 8 hypoid axle (aluminium wheel):
B6 752 0602
4 "Classic" stainless steel full wheel trim. Sprucing up your star vehicle: elegant “Classic” full wheel trim. Supplied with fastening kit. For 22.5" wheels. Material: stainless steel. For front axle, 8.25": B6 601 0121 For rear axle and front axle, 9" or 11.75": B6 601 0122 Replacement star: B6 601 0124

5 “Speedline” light-alloy wheel. Good looks and greater cost-effectiveness: the “Speedline” light-alloy wheel weighs around 40% less and helps reduce brake wear. Other advantages: higher tyre mileage, improved handling and easier maintenance. 22.5" x 9.00: B6 601 0007 22.5" x 8.25: B6 601 0008

6 Rotation chains. Always a tyre length ahead: rotation chains for snowy winter days. Traction aid which can be selected while you’re on the move. Connected to the compressed air system. Contact your Mercedes-Benz partner for details of the relevant product for your Actros.

7 Snow chains with grip links. Put the winter on ice: snow chains with double cross-link chains and grip links. Kind to tyres and easy to repair. Easy to fit thanks to spring steel tensioner. Extreme grip, even in adverse conditions. e.g. for 315/80 R 22.5: B6 758 0307

8 Snow chains without grip links. Always on the right track: tried-and-tested cross-link snow chains without grip links. Easy to fit thanks to spring steel tensioner. Different sizes available. e.g. for 315/80 R 22.5: B6 758 0878
Comfort that others will envy: the interior
A sporty atmosphere. On the move.
And for the breaks in between

When a space is used for work, breaks and living, it has to be ergonomic and functional but, most importantly, it has to be somewhere you enjoy spending time. The sporty aluminium-effect trim with matching aluminium-effect/leather steering wheel extends the new Actros’s powerful charisma inside the cab. And for even more comfort than before there are new, infinitely adjustable sunblinds for the side windows and a practical folding table for the co-driver’s side.

1 **Aluminium-effect trim.** Sporty elegance: brushed aluminium-effect trim lends your cockpit a stylish, contemporary atmosphere.
   Aluminium-effect trim for instrument panel without headlamp range adjustment: B6 667 2238
   Aluminium-effect trim for centre air vents (with compartment): B6 667 2250
   Aluminium-effect trim for centre air vents (with switches): B6 667 2252

2 **Aluminium-effect/leather steering wheel.**
   A perfect complement for the aluminium-effect trim.
   Non-slip leather. For steering wheels without airbag.
   B6 626 0295

3 **Sunblind for the side windows.** Optimum insulation from heat on hot days: the sunblind reduces glare and the build-up of heat in bright sunlight, enhancing safety and comfort. Supplied without installation kit. (Code FS4/FS5)
   Driver’s side (for S-cab and M-cab): A 943 810 0720
   Co-driver’s side: A 943 810 0820

4 **Folding table.** Easy to open out and fold away: the new folding table for the co-driver’s side is ideal for enjoying a snack or working during breaks. It has a hardwearing, wipe-clean surface and can quickly be stowed away in one of the stowage compartments when not in use. Supplied without installation kit. (Code FF3)
   A 943 810 0166
1 **Fine wood-effect trim.** A cosy atmosphere: burr walnut-effect trim brings a touch of home to your Actros.
Fine wood-effect trim for instrument panel without headlamp range adjustment: B6 667 2239
Fine wood-effect trim for centre air vents (with compartment): B6 667 2251
Fine wood-effect trim for centre air vents (with switches): B6 667 2253

2 **Wood/leather steering wheel.** Perfectly complements the fine wood-effect trim. Non-slip leather. For steering wheels without airbag.
B6 626 0283

3 **Stowage tray.** Everything in its place: practical stowage tray with two large compartments and extra section for pens. Simple to attach to the instrument support.
B6 667 2027

4 **Stowage box for co-driver seat.** Spacious stowage aid for a tidy cab: stowage box for co-driver’s seat, with versatile stowage compartments. Held in place by the seat belt.
B6 626 0210

5 **Steering wheel mini-desk.** First a snack then paperwork: versatile steering wheel mini-desk with plastic cutting board and practical stowage sections.
B6 626 0200
The stuff a driver’s dreams are made of

Sit back and enjoy the drive: with seat covers in the new standard design and floor mats which are precision-tailored to your cab and your seat configuration. Please contact your Mercedes-Benz partner for details of the relevant products for your Actros.

1 Seat base covering. Sitting comfortably: anthracite-coloured seat base covering which protects the driver from draughts in winter. Embroidered with Mercedes-Benz star. Not for folding seat or with Single Cab co-driver seat. Material: high-quality velour. B6 768 1217

2 Floor mats. Available in various sizes and materials.
Rep floor mats: hardwearing and non-slip. Material: 100 % polypropylene.

Velour floor mats: hardwearing, with adhesive polyurethane backing and PVC water barrier. Material: velour.

Seat covers. For all standard Isri and Grammer seats. Simple zip fastening. Easy-care and washable at temperatures up to 30 °C. Material: hardwearing microfibre velour. E. g. for Grammer driver’s suspension seat:

5 Standard design seat cover B6 640 1171

6 Accessory seat cover in red/grey B6 640 1323

7 Accessory seat cover in blue/grey B6 640 1321

8 Accessory seat cover in grey/grey B6 640 1325

9 Accessory co-driver seat cover for Isri ventilated comfort air-sprung suspension seat. B6 640 1247
So comfortable you could almost be at home

When you spend a lot of time on the road, you not only appreciate your own bed – you also know how good it feels when everything has a place of its own. Choose from our tailor-made comfort solutions:

1 Stowage bag for drawer below bed. For clothes and shoes: large, easily accessible stowage bag for the drawer below the bed. With extra shoe compartment. B6 787 2172

2 Stowage bag for stowage compartment behind seats. Flexible use: stowage bag for the compartment behind the driver’s seat. With adjustable partition. B6 787 2171

3 Laundry bag for stowage space above windscreen. Particularly robust: the laundry bag for the stowage space above the windscreen has a special compartment for your washbag. Practical front flaps and removable partition. B6 787 2173
4 Reading light. Practical additional lighting: flexible gooseneck reading light (24 volt/5 watt). Prewired and designed for permanent installation. B6 682 8804

5 Molleton underblanket. Protects the mattress, traps moisture and enhances comfort: soft molleton underblanket. Washable at temperatures up to 95 °C. Material: 100 % cotton. Available in two sizes: 60 x 200 cm: B6 787 2118 80 x 200 cm: B6 787 2119

Contents of set also available individually:
- Duvet 135 x 200 cm: B6 787 2059
- Duvet cover 135 x 200 cm: B6 787 2055
- Pillow: B6 787 2058
- Pillowcase: B6 787 2054

8 Fitted sheet. Relax in style: high-quality fitted sheet with elasticated edges for a perfect fit. Material: 100 % fine jersey cotton. Available in various sizes. e.g. for upper bunk 80 x 202 cm: B6 787 2052
Adding even more comfort

Often it’s the little things that make life more enjoyable or help you return to work refreshed and reenergised.

1 Compressor coolbox CDF-35. Refreshingly spacious: coolbox with capacity of 31 litres, removable lid and energy-saving setting. 12-volt and 24-volt connection. Temperature range: –15 °C to +5 °C.
B6 667 2030

2 Coolbox TC 21 FL-AC. Cooling and heating in one: thermoelectric coolbox with capacity of 21 litres, removable lid and energy-saving setting. 12-volt and 24-volt connection. Temperature range: cooling 1 °C to 15 °C, heating 50 °C to 65 °C.
B6 667 2035

3 Spectacles case. Always in view: spectacles case with large opening. Attached to A-pillar using adhesive or Velcro.
B6 626 0275

4 Additional ashtray. Lighting-up time: removable additional ashtray with hinged lid. For the drinks holder on the driver or co-driver side. Material: polyamide.
B6 626 0272
Practical products. For all your daily needs

Shaving, washing your hands or even sprucing up the cab – no problem with a whole range of smart ideas from our selection of Mercedes-Benz genuine accessories.

5 **Compressed-air gun.** Pressure at work: compressed-air gun with aluminium nozzle and approx. 2 m coiled hose – offers a quick, simple way to clean the cab. Supplied with bag.
A 943 581 0004

6 **Hand-held vacuum cleaner.** A clean sweep: hand-held vacuum cleaner with 3-stage turbine. Low power consumption. 24-volt and 220-volt connection.
B6 683 0011

7 **Water canister.** 12 litres more comfort: easy-fill water canister with capacity of 12 litres. Supplied with mounting kit and extension hose. Designed to be fitted to inner wall of side stowage compartment. For Megaspace cab and L-cab.
B6 626 0100

8 **Shaving mirror.** Perfect for a groomed look: shatterproof shaving mirror. Material: stainless steel, high-sheen polished.
B6 667 2032
You won’t be the only one to be impressed by the technology: the electrical accessories
High-tech items for your safety

When you’re out on the road, it’s good to know what’s going on outside – which is why we constantly strive to deliver accessory solutions which make your Actros even safer. New: the front camera and reversing camera system, which provides an optimum view of the area in front of and behind the vehicle. The image is shown on the common 7” monitor. The camera systems can be used individually or in combination.

1 Reversing camera system. Keeping an overview: the reversing camera system is automatically activated when reverse gear is engaged and makes the area directly behind the vehicle visible, increasing safety when manoeuvring and helping to prevent accidents. The camera housing is waterproof, resistant to high-pressure cleaning and features an integral heating module. The monitor provides an undistorted, glare-free image. Please contact your Mercedes-Benz partner for details of the relevant product for your Actros.

2 Front camera system. This eye misses nothing: the front camera records the blind spot in front of the cab, increasing safety when pulling away or manoeuvring. It is activated and deactivated automatically according to the speed and provides a realistic, glare-free image on the monitor, which is included as part of the package. The camera housing is waterproof, resistant to high-pressure cleaning and features an integral heating module. The front camera system complies with statutory regulations governing replacement of the front mirror.

B6 782 1260
Optimum entertainment

Everything seems more enjoyable with music. To help you add a soundtrack to your travels in the Actros, the range of Mercedes-Benz genuine accessories includes a selection of cutting-edge entertainment electronics.

1 **Active subwoofer.** Perfect sound: the active subwoofer with integral amplifier powerfully enhances the bass of the standard loudspeakers. On, off, loud, quiet – the settings are made using a dial by the driver’s seat. The compact subwoofer is accommodated in the stowage box and protected against damage by the installation kit. B6 782 1290

2 **CD radio.** Enjoy your trip with good on-board entertainment: CD radio with four wavebands and extensive features. Further devices such as an MP3 player can be connected. (Code EU1) A 004 820 4286

3 **CD radio Bluetooth.** Perfect infotainment: CD radio Bluetooth with integral hands-free system provided via Bluetooth interface. Ensures the driver’s hands are free for steering. If required, other portable devices such as an MP3 player or an iPod can be connected. (Code EU2) A 004 820 4386

4 **CD box.** Well stowed away: CD box with space for 12 CDs. Protects the CDs from sunlight, dust and heat. (Code FQ9) B6 626 0297 Installation kit: B6 626 0299

5 **USB/iPod Interface.** Perfect connections: interface for connecting USB storage media (e. g. MP3 player) or an iPod to the new CD radios. Operated via the radio or the multifunction steering wheel. An iPod holder can also be accommodated e. g. in the stowage compartment as an option. B6 782 1272
Ideal connections

Keeping you in contact when you’re on the road – everything you need to keep in touch by phone or CB radio.

1 **CB radio universal, 12 volt.** At home on all channels: CB radio universal with 3 switchable national frequency tables: 80 FM channels, 4 watt/12 AM channels, 1 watt, 40 FM channels, 4 watt/40 AM channels, 1 watt, 40 FM channels, 4 watt/CEPT. With ASC (automatic sound control) and microphone with up/down buttons for selecting channel.
B6 683 0017
Installation frame: B6 683 0012

2 **CB radio standard, 12 volt.** Distinctly compact: CB radio standard: 40 FM channels, 4 watt/40 AM channels, 1 watt, squelch control to prevent background noise. With practical channel selector and bar displaying opposite number’s signal strength.
B6 682 8599
Installation frame: B6 683 0012

3 **Truck Phone Comfort.** Phone calls made easy: the Truck Phone Comfort is the perfect complement to a Bluetooth mobile. The permanently installed hands-free system accesses the mobile’s SIM card via Bluetooth rSAP and automatically connects to the GSM network. Alternatively the SIM card can be inserted directly into the Truck Phone Comfort.
B6 782 1237

4 **Mobile-phone cradles (Code EU3).** For good business connections: cradles for Nokia and Sony Ericsson mobile phones. Permanent connection to the external aerial means that radiation in the cab is reduced to a minimum. Phone is operated using multifunction steering wheel.
For Nokia 6300: B6 782 1282
For Nokia 6233/6234: B6 782 1274
For Sony Ericsson K800i: B6 782 1273

5 **Thermo paper.** Specially developed for in-truck use: the thermo paper is heat-resistant and the printouts remain legible even on contact with water or engine oil. Three 8-m rolls.
B6 782 1244
FleetBoard: setting a clear course for your fleet

Greater cost-effectiveness with FleetBoard

FleetBoard is an innovative, telematics-based internet service for cutting-edge vehicle, fleet and transport management.

FleetBoard supports both the driver and the scheduling centre. The two parties communicate over the internet. One click of the mouse is all it takes, for example, to send the full job details directly from the scheduling centre to the vehicle. Route planning, consignment tracking and driving style analyses can also be transmitted in this way. FleetBoard time management offers full transparency of the drivers’ work times. Data from the digital tachograph and the driver’s card can be read even when the truck is on the move.

To help achieve efficient fleet management, FleetBoard delivers up-to-the-minute data direct from the vehicle – including, for example, mileage figures, operating fluid levels, consumption details and much more. Service information can also be called up online, allowing the highest degree of flexibility when planning service intervals. All with one goal in mind: lowering costs through transparency.

If you are interested in finding out more, call FleetBoard on +49 (0) 711-17-91999 or go to www.FleetBoard.com.
Taking you where you want to be. And back again

Not everything can be planned in advance when you’re on the road. But with Mercedes-Benz genuine accessories you’re ideally prepared for anything. Please contact your Mercedes-Benz partner for details of the relevant products for your Actros.

1 **Low-maintenance fifth-wheel couplings.** Only the locking hook needs to be lubricated. Contact surface, rubber joint mounting and wear ring are maintenance-free. The low-maintenance fifth-wheel couplings can be combined with an automatic lubricant dispenser (e.g. LubeTronic).

**Standard fifth-wheel couplings (not pictured).**
Mercedes-Benz also offers an extensive range of standard fifth-wheel couplings for conventional coupling and uncoupling.

2 **LubeTronic.** The LubeTronic lubricant dispenser dispenses with the need for manual lubrication. With annual mileage of 100,000 km lasts an average of 3 years. Can be retrofitted to all low-maintenance fifth-wheel couplings.

B6 789 0101

3 **Boxes of replacement bulbs.** Small: 1x low-beam, H7 – 24V-70W. 1x main-beam, H1 – 24V-70W. 1x indicator. 1x tail light. 1x interior and licence plate. 2x heavy-duty lamp. Alternatively: Large box features 2 of each of the listed bulbs plus 4 heavy-duty lamps.

Box of replacement bulbs, small: B6 683 0006
Box of replacement bulbs, large: B6 683 0007

4 **Voltage transformer.** For operating 12-volt devices on 24-volt systems. Option of linear or switched-mode control.

8 amp: B6 682 8564
18 amp: B6 682 8565

5 **LED sequential flash set.** Whether it’s a breakdown or an accident, the LED sequential flash set alerts following traffic in good time to the scene of the incident and guides it safely past. The five bright LED light elements can be set up in next to no time. And thanks to the sequential flashing light signals, the risk of not being seen despite fluorescent jacket and warning triangle is significantly reduced.

B6 653 0015

Not pictured:

**Adapter, 24 volt.** For a safe electrical connection between tractor and semitrailer or trailer.

**Aerials.** Various aerials for CB radio, radio or combined radio/GSM 900 operation are available for the Actros – all tailored to the relevant cab. There is also the option of a window aerial. Your Mercedes-Benz partner will be happy to advise you.

B6 653 0015

**Jump leads, 5 m long.** With integral protective circuit to suppress inductive voltage spikes.

B6 753 0150

**Tow rod in special steel.** 2.20 m long, for vehicles up to 38 t. Can be painted as required.

B6 758 2404
